## END OF SEMESTER AT TEMPE NORMAL SCHOOL

Examinations ended and registration for the spring semester was begun at the Tempe Normal school yesterday, and the first half term just concluded was declared the most successful in all the school's history. All preparations are made for the opening of the next term which commences Monday, with the addition of two new courses and the promise of more later on. All day long the president's office was filled with students making up their schedules for the coming semester, with new students made possible by the addition of Greek, German and Latin, all agriculture courses packed on in the last session.

The attendance for the past term has greatly surpassed that of any year previous. Hardly a class room in all the school has been found adequate for the pupils, who abound in unusual numbers. Both the men's and women's dormitories were greatly over-crowded, and now barely a vacant

room mean be found anywhere. But in spite of the crowded condition of the sleeping quarters, room is always found for the additional students who arrive from time to time. The fact that work is practically beginning over with the start of the new semester is responsible for the influx of new material, and the school authorities are promising themselves the new pupils shall have just as much chance to get on with their work as if they had become members at the regular opening in the fall.

## ATHLETICS TO PHOENIX TODAY

Tempe high vs. Phoenix high will be the chief athletic event of the valley today in the nature of a dual track meet to be held this afternoon on the state fair grounds in Phoenix. Since it has been decided that the Tempe high is to enter all events, the team has been out every night this week working to beat not only the Phoenix high team this afternoon but every team in the valley seven days hence. The local long distance runners are working into excellent shape and with the addition of two supposedly unequalled sprinters they entertain the highest hopes of returning to Tempe this evening with the second victory of the season to their credit. Owing to the fact that the meet starts at the line he train leaves Tempe the track team will leave for Phoenix in a tally-ho.

## FROM PHOENIX

## MERCHANTS MEETING

The regular meeting of the Merchants' association of Tempe was held Thursday evening in the city council chamber. There were barely enough of the business men in attendance to make up a quorum, and an adjournment was taken without making a disposition of any important business. The sign board which the association recently had painted for erection at Maricopa with a view of attracting travelers passing through Arizona to this section of the valley will likely be placed in position some time next week. Painting was finished on it sometime ago, but in order that it may be thoroughly dried before being taken out into the weather it has been kept in Tempe until now.

## THE PASSING OF MRS. LAURETTA ANDERSON

Aged and Highly Esteemed Lady of Mesa Died at Her Home at 2 a. m. Yesterday.

Mrs. Lauretta Anderson, wife of Mr. Ephraim Anderson, died yesterday morning, from the effects of old age and the grip. Her husband and three daughters were with her to the last. Mrs. Anderson was slightly past 80 years of age and began failing about a year ago. On the 16th of December she took to her bed from a slight attack of la grippe, and remained there until the end came. The funeral will be held at the residence, at 2 p. m., Sunday, A. E. Burke of the Church of Christ, officiating.

Mrs. Anderson left three living daughters, Misses Elizabeth and Mattie, and Mrs. Mary Roden. Two other daughters, Orpha T. and Sarah had been born to her, but had died a number of years since. Mrs. Anderson came here with her husband and family about six years ago, and resided on the north side of town in what was formerly known as the "Judge Woy" place, which Mr. Anderson purchased. She was a member of the Church of Christ, a consistent Christian woman, and was highly esteemed by all who knew her. The family home is in Pennsylvania, and Mrs. Anderson's body has been carefully embalmed by Undertaker Burton and will be interred in the Mesa cemetery, temporary only; in early spring, the body will be taken to the old home in the east and buried in the family burying ground. Mr. Anderson and the three daughters will accompany the remains, and while there will visit with relatives.

## SISTER ARRIVES.

## SHOT THE WRONG MAN.

Mrs. Isaac Dana has received word from Pachuca, Mexico, giving an explanation of the death of her brother, Earnest N. Spillsbury, which occurred there some days since. It seems that a Mexican named Hernandez Gonzales had had trouble with a party known as Earnest Bergener, who was employed at the same place as Mr. Spillsbury. The Mexican determined to kill his enemy and going at night to commit the deed mistook Spillsbury for Bergener and shot him dead while asleep in bed. The Mexican escaped and up to the time of writing, had not been apprehended by the authorities. The body of Mr. Spillsbury

was buried in Pachuca, the Rev. Morrell officiating.

## LEASED BUILDING.

John V. Long, of the Long Drug company, has leased one of the Earliest Crimston buildings, north side of Main street and as soon as it can be properly fitted up and the stock secured will open a first class drug store. It is understood that Dr. Long's son, who is also an expert druggist, will come here from Utah to assist his father as a member of the firm. Dr. Long has for many years a druggist in Salt Lake, Utah, and was well known to W. A. Burton, Earnest Crimston and other Utah people who now reside in Mesa.

## THE MACCABEE DINNER.

The chicken dinner served by the Ladies of the Maccabee lodge, Thursday, proved a great success financially. The dinner was one that appealed to the hunger and was well patronized. Everything was home cooked by experts in the culinary line and the guests got their money's worth. The funds received will very materially aid the lodge.

## NEW THEATER FOR MESA.

A deal was closed yesterday by which Mesa will have another amusement house. Mr. Wm. Menhennett, proprietor of the Coliseum, has leased the room at present occupied by the G. E. Phelps hardware store, to have possession within a month or six weeks, where he will open another moving picture and vaudeville theater. The Coliseum will be run as usual, although Mr. Menhennett has not yet decided which house will be devoted to pictures only; one will have a combination, moving pictures and vaudeville. Mr. Phelps has his new building near the corner of Center and Main now under way, and will move his stock of goods there as soon as the place is ready. The new theater is not yet named, but will be fitted up in modern style, with commodious lobby and opera house for seats in place of the benches that are now used in the Coliseum. Mr. Menhennett's success as a theatrical manager is a guarantee that the new establishment will be conducted along the same progressive lines that has made the present theater popular. It will be clean, only first class pictures and reputable vaudeville talent employed to cater to the amusement loving people of Mesa.

When you want a reliable medicine for a cough or cold take Chamberlain's Cough Remedy. It can always be depended upon and is pleasant and safe to take. For sale by all druggists.

## TREAT FOR CHILDREN.

A matinee performance was given free to the school children of the Mesa grammar grades yesterday afternoon. The children have been studying about silk worms, among other things, and Manager Menhennett had the beautiful moving picture film showing the evolution and life of the silk worm run through for the benefit of the pupils. There was a crowded house to witness the picture and the children took a great interest in the event. The worm was shown from the cocoon to full grown and spinning the silk. It gave the young people an object lesson that will be long remembered.

## DEEP CRACKS COVERED HANDS

And Itching Sores. Started with Pimples. Dreaded to Put Hand in Water. Scratched Until Blood Came. Cured in a Month by Cuticura Soap and Ointment.

R. P. D. No. 3, No. Crystal Lake, Ill.— "I had a most painful itching right hand from the thumb to the wrist. It was covered with deep cracks and itching sores. It started with small white pimples that itched terribly and when I scratched them would open and a water-like stuff would come out. Scabs would form to my annoyance, and they would then come off and leave the hand red and very sore. I dreaded to put my hand in water as it would hurt awfully. I sometimes would scratch until blood came and then the burning pain was enough to set a person crazy. I was ashamed to let anybody see my hand for it looked awfully. How I suffered none can imagine. I would wake up nights from pain caused by scratching. I had it for two years. It sometimes would heal and break out again.

"I tried to solve but that only made it worse. I used different salves but none did me any good until I used Cuticura Soap and Ointment. Now I have no more trouble and there is no scar to be seen. In a month my hand was cured by Cuticura Soap and Ointment." (Signed) Mrs. Theo. Freidburger, May 25, 1912.

Cuticura Soap 25c. and Cuticura Ointment 50c. are sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."
